Open since October 2012, Connection of Friends is a community-based organization which provides a place for teens, age 16 and older, and adults with special needs to gather socially with an emphasis on life skill, volunteer and fitness activities on a daily basis and Saturday evenings.

COF VOLUNTEERS

Volunteers provide our participants with natural social modeling and motivate our participants to use their developing social skills. We welcome volunteers that are 16 years or older interested in gaining experience working with teenagers and adults with special needs.
